## Could you explain why the activities related to literature in this visit were interesting for you?

27 respuestas

I was the host.

I've never had seen the "Black Mill" before and i thought it was nice there.

Because the topic was interesting

Because I have never seen the mill

Because there were a lot of things I didnt know before

Because the topic was interesting

Because we discussed about our different opinion with people from other places

Because It was very funny

Because we discuss our different opinions with the participants of the Erasmus+ Project

Comparing the book with the film.

Because these activities let me work with new people in audiovisual activities, and I could make new friends and met interesting people.

Because they made me understand the book and the background better.

to compared the film and the book

We did not do very much but the few we made were interesting because we shared our opinions and discussed.

I liked the travel to Schwarzkolm, because I learned much about the history from Kroat. I think going to the Pfundsmolkerei wasn't necessary, because I don't know the connection of Kroat and this.

Because I like this.

Because it's important to know other things in other countries

Yes it's very interesting and we learn many things

Because it's new for me

I think I have already explained why in the sheet of paper...

Because I could know others' opinion about it.

## Which activity have you like the most?
