

# A DRAGON'S HEART

Billions of years ago, before our existence, the Earth was dominated by dragons. The World was dominated by three dragons. Three kings.

The dragon of power.

The dragon of bravery.

And the dragon of wisdom.

Generally, when a dragon of the world had a problem, there were going to solve it with one of these dragons but, no one was going to the dragon of wisdom.

-Oh, why? Why nobody come to see me..? Am I not the wisest? – she was crying.

The dragon of power, that heard she crying, doesn't console her.

-Is because I'm a woman? Or... or...

-Don't say that again. –said the dragon of bravery angry.

The gender never matters. You're a dragon, like me, like all.

-So.. What happen to me?

-This is because we only want power and..

-And we don't want to lose never. Is the only thing that they want from us. Do nothing and win.. The only thing you do, is give tips, what's left, what they have to do.

And they don't want that..- said the dragon of power a little sad.

-Exactly. This is why nobody comes to you.. Wisdom. But we know that you're the wisest dragon is you. You have a fantastic open mind.

-Thanks.. but what should be I do?

-Ha, you know? We're a team. We complement each other. You have to have power, bravery and wisdom. – said Bravery.

-What?

-There's a forest called "The Sacred Forest". If you cross this forest, you'll be the most powerful and bravest dragon in the world!

-But Bravery this is fake-

-And if you go? There are more like three villages to go to this forest and you could help dragons with problems and be famous ( with *glamour* haha)

-Ohh.. Now I understand, hehe – whispered Power.

-Shut up Power..

-Oh, that's sounds crazy, Will be nice

-Maybe.

Wisdom was preparing for the trip and left the tower where they lived to start travelling.

-Good trip Wisdom! –said Power and Bravery.

-Thanks guys, see you..

Wisdom is very lazy and don't like fly too much, so she went walking and she arrived to the first village.

Finally here.. Uh?

There were dragons fighting.

-Go out! We don't want to play with you! —said a fire dragon.

Guh.. I..

-Go out!!

-What's happend here? —said Wisdom.

-He...he is a water dragon!

-That's it! —said an another fire dragon.

-But.. I... I only want to play with all of you,

-No!

-What does it matter if is a water dragon? —asked Wisdom. If you were him, would you like be different and can't play with all.

-What?

-That.

No.. no, I don't want that.

-That's happenig with him.

-But it's..

-It's?

-A water dragon.

-And? Did him hit you? Or did he laugh at you?

-No..

-So?

- Is that he's different from us. That plays with those os its same species.

-But.. in this village there is no water dragon like me... Y'all criticize me for being different... Is that so bad?

-Yes!

-No it is!— said Wisdom very angry.

-Huh? Isn't it?

-No.. If we're all the same, it World be very boring, don't you think?

The water dragon laughed.

-TSK.. It's ok... you can play with us. — said the fire dragon a little angry.

-Oh, really?!

-Yea, why not...

-Omg, thanks lady! — he hugged her

Wisdom smiled and her soul shone and grew up.

Another day, another village.

In this village Wisdom arrived flying and found a dragon on the floor.

When she landed she asked him..

-What happen to you?

-The Boss-.. Is the Boss.. He controls me!

If you think different that he, he will hit you or kill you.. uhg.

-Where is the Boss?

-In the deepest part of the village.

-Well, I'll go to he.

-You? A woman? Crazy one.

-Yea, a woman. Problem?

-Meh.

Wisdom went to the deeepest part of the village to see the Boss, and she found a lot of dragons working. Some of there were weak, others very thin ones others with blows...

-Are you crazy?! – shouted Wisdom to the Boss

-Who're you?! Go out here or... I'm gonna kill you. Silly woman, haha.

-Excuse me? Did you call me "silly"?

-Yeah.

She hit him a slap.

-Auch! Die.. You should die. No, I'll make you die! SILLY woman.

All the women are idiots, like you. ARGH.

Wisdom got angry and she shouted him again:

-You should shut up. Would you like to be without food hours? Weeks? Months?

-Tsk, I don't know.

-You're the one who should go out here.

-I'm with her, we also have life.. you know? –said one dragon

-I'm also with her.

-And I.

All the dragons said the same.

The soul of Wisdom shone again.

-If everyone says the same you have nothing to do, we're majority.

-But I'M the one who has power. They don't.

-...You have locked yourself in your own bubble, in the end you went blind.

Wisdom took away the power that Power gave to this dragon.

-NO! If I haven't power, I'm nothing.

-Sorry man... You must open ur eyes. Also, you'll be punished,

-A woman punished m-

-Women also have life, silly one. Open your eyes, please..

Wisdom had lost time in that village so she left it when the dragon was taken to a dungeon.

Last village.

Before entering the village, Wisdom saw two dragons (males) together, and when she saw her they ran away.

-Huh?

After entering the village, she heard a mother dragon shouting at his son that was one of the males that she saw before.

-You and him are disgusting. I don't want to see you anymore with him.

-Mom...

-Shut up!

The dragon went to his house crying.

-What happened here?

-Oh sorry for the scandal.

-No problem..

-You see normal that two male dragons are lovers?

-Mmm, yes.

-Wait, yes? You're crazy.

-No, I'm not crazy..

If your husband were a female dragon you would still love him?

-Eugh.. Is a different way..

No, it isn't. Is the same way. Love is love.

Who cares if both are males or females?

-...

-Think about it..

Wisdom was very tired and she stayed to sleep there and check the map that she had.

Next day, the two dragons were very happy.

And they go to Wisdom.

-Oh Lord, thanks girl. Thanks to you our families changed their way of thinking.

She smiled and her soul shone again.

-No problem. That's my job. May everyone be happy.

-Thanks again.

-Yea, thanks.

After all Wisdom enter to The Sacred Forest, she figthed with some “monsters”  
And when she arrived to the heart of the forest, Power and Barvery they were there.

-Congrats! You're the best dragon in the world – said both dragons at the same time.

-Eh?

They hugged her.

-You're a brave dragon like me.

-And you have the power to help others, like me!

-You got these values without our help! – said Bravery

- Also, the others dragons talk about you in the villages.

-Really?

-Yea!

-I told you, you would become famous (with *glamour*)

-Oh.. I'm very happy.. Thanks guys.. I love us.

They smiled.

-Let's go home, family –said Bravey.

-C'mon! – said Power.

Wisdom laughed, she was very happy, the trip was worth it.

Afterward, the dragons of the world also goes to see Wisdom.

Now, yes there were distributed.

Now yes they complement each other.

Power, Bravery and Wisdom the three values that you have to get.

After a while, in the first village, all the dragons were in harmony without figthings.

In the second village, the Boss changed his personality, and all the dragons adorate him. The villagers wrote laws of coexistence and women won more respect and importance.

And well, in the last village, the dragons changed his ways of thinking.

Although these are only three villages of many ones.

Who knows if one day we'll all be in peace?

Don't create a false idea of wisdom because it's worth more than you think.

We are't toys... We all have feelings.
